NEXENTIA'26

EMPOWERING TOMORROW THROUGH INNOVATION

Welcome to NEXENTIA'26, where creativity, technology, innovation, and communication come together! This year, participants can showcase their talents across eight exciting categories, each designed to challenge young minds and encourage innovative thinking.

1. 🌐 **Codinex** – Web Development
2. 🤖 **Nextron** – Robotics & IoT
3. 🎨 **Pixelynx** – Digital Poster Designing
4. 🧠 **Cipherx** – Quiz Competition
5. 🎤 **Voicesnx** – Debate
6. 🎬 **Visualnx** – Video Editing
7. 🖥️ **Framenx** – Presentation
8. 🏆 **Most Popular School ICT Society**

Please read the rules and regulations carefully before registering and participating. Fair play, originality, creativity, teamwork, and respect are at the heart of **NEXENTIA'26**.

BUILD • CODE • INNOVATE

Framenx – Presentation

Eligibility & Participation

- The competition is open to school students.
- Each team shall consist of 4 members.
- Each team may submit only one presentation.
- The presentation must be based on the theme **“Quantum Computing: Unlocking the Impossible.”**
- The presentation must demonstrate the students' own understanding of the topic.

Instructions

- The presentation must be conducted entirely in English.
- Each member will be given 3 minutes to present.
- The total presentation time for each team is 12 minutes.
- Each member should present a different section of the topic.
- A warning bell will be given 1 minute before the end of each member's allocated time.
- The presentation should be clear, informative, creative, and suitable for a school audience.

General Rules

- The presentation must be the original work of the participating students.
- Plagiarism is strictly prohibited.
- Sources used for research should be acknowledged.
- Students should be able to explain and answer questions about the content they present.
- The competition will be conducted physically at school premises.
- Date & Time: To be announced
