NEXENTIA'26

EMPOWERING TOMORROW THROUGH INNOVATION

Welcome to NEXENTIA'26, where creativity, technology, innovation, and communication come together! This year, participants can showcase their talents across eight exciting categories, each designed to challenge young minds and encourage innovative thinking.

1. 🌐 **Codinex** – Web Development
2. 🤖 **Nextron** – Robotics & IoT
3. 🎨 **Pixelynx** – Digital Poster Designing
4. 🧠 **Cipherx** – Quiz Competition
5. 🎤 **Voicesnx** – Debate
6. 🎬 **Visualnx** – Video Editing
7. 💻 **Framenx** – Presentation
8. 🏆 **Most Popular School ICT Society**

Please read the rules and regulations carefully before registering and participating. Fair play, originality, creativity, teamwork, and respect are at the heart of **NEXENTIA'26**.

NEXTRON

BUILD • CODE • INNOVATE

Nextron – Robotics & IoT

What You Have to Do

Develop robotic solutions under one of the following categories

1. TechForge (Industrial)
2. AssistAI (Service)
3. BioSync (Medical)
4. MotionCore (Mobile)
5. AgriVerse (Agricultural)
6. FrontierX (Exploration)

Instructions

- The competition is open to school students only.
- Projects may be submitted individually or in teams of 2–5 students.
- Each participant/team may submit only one project.
- All projects must be the original work of the participating students.
- Teachers may provide guidance and advice but must not build or program the project on behalf of the students.
- Participants must be able to independently explain and demonstrate their project.
- Each team will have 10–15 minutes for the project presentation and demonstration.
- Projects will be evaluated based on:
 - Innovation
 - Creativity
 - Technical Design
 - Functionality
 - Practical Impact
 - Presentation
- The decision of the judging panel will be final.
- Projects that are unsafe, copied, inappropriate, or violate the competition guidelines may be disqualified.

NEX TRON

BUILD • CODE • INNOVATE

Submission Requirements

- Submit one completed project per participant/team.
- The project must be original and student-developed.
- Participants must be prepared to present and demonstrate the project within the allocated 5-10 minutes.
- Teams should provide any required project documentation or supporting materials requested by the organizers.
- The competition will be held on **10 September 2026, from 2:00 p.m. to 5:30 p.m., at the school premises.**
- Schools located outside the Colombo District may participate online via Zoom, according to the instructions provided by the organizers.
